

# Social Media Contract for Kids

- I will have my parents' permission **before** joining any social media site.
- I will let my parents set the privacy settings on my accounts.
- I will give my parents my passwords for **all** social media accounts.
- I will **never** change my password without permission from my parents.
- I will not share my password with anyone other than my parents.
- I will only follow or friend people through social media that I know personally (in real life.)
- I will not check-in to places on social media without my parents' permission.
- I will not share **any** personal information (age, address, full name, etc.) without my parents' permission.
- I will not share inappropriate or offensive language, pictures, and videos on any social media account.
- I will not post pictures of myself or anyone else unless we are fully clothed.
- I will **never** meet anyone I've met online.
- I will not participate in online bullying.
- I will not leave unkind comments on someone else's posts or photos.
- I will tell my parents if I become a victim of cyberbullying.
- I will follow my the rules my parents set for time limits for online use.
- I will keep up with my schoolwork and my grades.

Consequences:
